

Admission Procedures 2023-2024

Seats are limited and will be on a first-come first-served basis. Priority will be given to those who submit their application with complete documents. A notification will be sent to parents' e-mail addresses that are mentioned in the registration application.

Students will not be considered officially registered in the school until all registration procedures are completed, including payment of registration fee.

If we do not have an opening in a specific grade level, applicants will be placed on the waiting list.
