

As an independent, not-for-profit school, all tuition and fees fund the cost of education. The not-for-profit status is an important feature of ASD as it supports the ability of the school to focus on the quality of education over satisfying any profit or investment expectations of owners or shareholders.

2023-2024 Tuition & Facility Fees

Grades	Facility Fee	Tuition Fee (AED)*
PreK	-	57,680
K1	-	61,033
K2	12,984	66,623
G1 - 12	12,984	85,057

*For USD, the rate is 3.672

Special Education: For SY 2023-2024 a fee of AED 49,000 applies in addition to the school fees listed above for Students of Determination who require Special Education Services as specified in their Individualized Service Agreement.

Note: The annual facility fee is part of the Corporate Seat-holder amount. North American companies may be eligible to purchase corporate seats for USD 75,000. For details, please email the [Superintendent's Office](#).

Annual Fees

Facility Fee

Students from K2 to G12 who are non-corporate seat holders are required to pay an annual fee of AED 12,984. This fee is dedicated to the annual maintenance of the school facilities.

Tuition Fees

The Tuition Fees are dedicated to providing the educational program. A significant percentage of this fee is allocated to employee salaries and benefits.

One-Time Fees

Capital Fee

All new students who are non-corporate seat holders, or current students no longer holding corporate seats, contribute to sustaining and developing the facilities with a one-time capital fee of AED 22,000. This fee is dedicated to the continuous development of the world-class facilities funded by former and current ASD families.

All new families may pay the Capital Fee in three annual installments of 7,333AED.

Registration Fee

A one-time registration fee of AED 1,000 is payable for new students. It is invoiced along with the school fees.
